Thursday 15<sup>th</sup> March

Dear Parents,

In a whole school effort to reduce our paper usage and environmental impact, I am requesting for parents to opt-in to an electronic only system for receiving our school newsletters. This would mean from Term 2, you access the newsletter via our website, app or email. Parents who do not choose this option, will continue to receive paper copies of the newsletter. All whole school and whole grade/stage notes will still be printed and sent home and will be available on our school website.

Please indicate below your preference and return this form to the school office before Friday 6th April.

School Admin Manager
